JetFlash® V90

Ultra-Compact USB Flash Drive

Transcend's V90 is no ordinary flash drive. Its impossibly slim silhouette and shiny metal casing possess a unique look of style sophistication. In fact, the V90 looks so much like a fashion accessory that nobody will even suspect its true high-tech identity.

Carry your data with a touch of class. The V90 features up to 8GB of memory and distinctive faceplate designs that express your individuality, making it a luxurious addition to any set of keys, cell phone, wallet or purse.

Not only does the JetFlash® V90 offer elegant distinctive styling, ultra-portable convenience and a wealth of useful data management features, it is also backed by Transcend's industry-leading Lifetime Warranty.

PC-Lock

Protect your computer with confidence

Use your JetFlash as a key to lock your desktop or notebook computer and prevent others from accessing your data while you are away. Simply unplug the JetFlash to lock, and plug it back in to unlock.

Favorites

Browse your favorite websites wherever you go

The Favorites function saves a copy of all your Internet Explorer Favorites on your JetFlash, allowing you to plug your JetFlash into any compatible computer and browse your websites just like you would at home.

Secret-Zip

Powerful security with encrypted file-compression

Compress your saved files to maximize memory storage space and password-protect your data with powerful 256-bit AES Encryption. With Secret-Zip, you can store files securely while saving space at the same time.

DataBackup

Backup, restore and synchronize your mobile data

Automatically backup, restore, and synchronize your important data. Once a backup is created on your JetFlash, DataBackup allows you to instantly update the backup with any modifications you might make in the future with a single mouse click.

AutoLogin

Convenient one-click automatic website log in

Instantly log in to your online website accounts with just a single mouse click. AutoLogin keeps a secure database of all your online usernames and passwords on your JetFlash, so you'll never worry about losing your password again.

E-Mail

Take your E-mail with you on the road

JetFlash elite allows you to store your E-mail for easy access when traveling. Send, receive, and save email safely on your JetFlash using any compatible computer – without leaving any trace of your correspondence for others to find.

My JetFlash

A shortcut to all your mobile data

Just one easy click opens your JetFlash folder, so you can manage your files quickly and easily.

★ JetFlash Elite software only works with Windows® 2000/XP/Vista
★ To use PC-Lock and AutoLogin you must have Administrator rights.
